

Internal Competition for Naming the Enterprise Resource Planning (ERP)

Implementation Project at HPPCL

As we are aware that, ERP Project is an HPPCL's effort to improve administrative and operational functions by simplifying processes and moving towards better efficiency by using a single unified business information System (SAP-ERP). This, in turn, improves ability to manage resources as well as to provide services to stakeholders and beneficiaries. From a staff perspective, the ERP Project will help us to streamline current everyday processes as well as share and access the information seamlessly. The following modules are being implemented

- Finance and Accounting (SAP-FICO)
- Material Management System (SAP-MM)
- Engineering Process Management (SAP-DMS)
- Project Management (SAP-PS)
- Human Resource Management (SAP-HRM)
- Environment, Health & Safety (SAP-EHS)
- Quality Management (SAP-QM)

Strategic Vision and Objectives of ERP at HPPCL:

- **Establish an Integrated Customer and Project Management Centric Corporate Management Framework**
- **Establish enterprise wide common integrated Information & Communication Technology (ICT) platform to enhance Corporate Management, Project Management, improve Productivity and Capability through innovation and knowledge up gradation in environmentally and socially sustainable manner to maximize value.**
- **To create and share real information in an efficient decision making towards Project Planning and Execution; Procurement including accounting ; Human Resource Management and ensuring compliance to various safeguards**

During a workshop on the subject on dated 15-07-2011 at corporate office, it has been decided to assign suitable **name** to the ERP Implementation Project. The name must be a '**Hindi**' single word and should in harmony with the vision and objectives of the ERP system mentioned above (e.g. '*Lakshay*' in NTPC, '*Kiran*' in NHPC). To accomplish this task, HPPCL is organising internal competition among all employees of the Corporation to suggest suitable name for ERP implementation Project. The winner will be awarded with a cash prize of Rs. 1500/- and a Certificate. Accordingly, entries are hereby invited from all employees of the Corporation at e-mail srmgr_it@hppcl.gov.in by **30th of July 2011 positively. Entries received late, will not be entertained.** The information is also available at website of the corporation (www.hppcl.gov.in). Suggested name should be unique and should not be an existing name of any other similar project (some of existing

names are *Lakshay, Parivartan, Shakti, Kiran, Ekkikaran*). The employee, whose entry gets selected, will be awarded cash prize of **Rs. 1500/-** and a certificate . All other usual conditions for organising such competition will remain enforce.

For any clarification, contact Mr. Suraj Chauhan (Programmer), IT &C cell on Mobile number 9418136815 and e-mail prog4_it@hppcl.gov.in
