“INVITATION FOR EXPRESSION OF INTEREST”

Himachal Pradesh Power Corporation Limited invites Expression of Interest (EOI) from interested experienced companies/firms for Construction of Two Way Bi-cable Jig back Cabin Ride Passenger Ropeway (For Six Passengers) between Shunarang at Ralli village to Badodhar at Mebar village near Reckong-Peo in Distt. Kinnaur of Himachal Pradesh, India.

Brief Description & Scope of Work:-

This is a turnkey work for design, supply, erection, testing and commissioning of the Double Reversible Bi-Cable Jig Back Passenger Ropeway System in single section, Horizontal length is ± 1339 m, level difference ± 416 m, having Capacity of 40 Persons per Hour (PPH). The proposed Ropeway starts from an area adjacent to Ralli School (Lower Terminal) and terminates near Mebar village (Upper Terminal) on an upward slope.

For further details please visit our website www.hppcl.in/ www.hppcl.gov.in

Last date of submission of EOI:- 12-02-2018.

Price bid shall be invited separately from the shortlisted firms.

General Manager

EXPRESSION OF INTEREST

Himachal Pradesh Power Corporation Limited invites Expression of Interest (EOI) from interested and experienced companies/firms for Construction of Two Way Bi-cable Jig back Cabin Ride Passenger Ropeway (For Six Passengers) between Shunarang at Ralli village to Badodhar at Mebar village near Reckong-Peo in Dist. Kinnaur of Himachal Pradesh, India.

This is a turnkey work for design, supply, erection, testing and commissioning of the Double Reversible Bi-Cable Jig Back Passenger Ropeway System in single section, Horizontal length is ± 1339 m, level difference ± 416 m, having Capacity of 40 Persons per Hour (PPH). The proposed ropeway starts from an area adjacent to Ralli School (Lower Terminal) and terminates near Mebar village (Upper Terminal) on an upward slope.

To qualify for the award of the contract, the bidder should fulfill the following qualification/requirements in addition to the other qualification given here under.

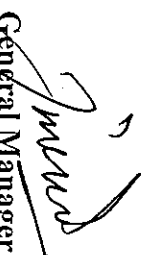

Criteria for short listing of the firms shall be as follow:-

The firm/company shall have past work experience of similar nature and shall submit:-

1. Proof of the past work done and execution of similar work along with quantum and value of work.
2. Proof of the technical, managerial and financial capabilities of the Firm/Company.
3. Information of the qualification of key staff along with an undertaking that the entire work including field data collection will be done by experienced professionals only.
4. Work Experience (Technology Partner)
 - (i) Must have designed, supplied and successfully installed at least 2 Detachable Passenger Ropeways of minimum 1000mts long horizontal span conforming to Indian/International standards during last 5 years.
 - (ii) Satisfactory working of 2 Detachable Passenger Ropeways conforming to Indian/International standards for at least one year from the date of operation.
5. Proof of annual financial turnover in one of the last three financial years (Min. Rs. 400.00 lacs).
6. The prospective bidders should submit their technical bid in duplicate.
7. The Contractor shall carry out detailed design for various plants and works covered in the contract. Three sets of such detailed designs along with referred codes, standards and practices, calculations, computer runs and other details shall be furnished to Engineer-in-charge for scrutiny, approval and the Engineer-in-charge shall convey his observations and comments within (21) twenty-one days upon receipt of which Contractor shall promptly cause to get these implemented and resubmit the design for approval at no extra cost. All the Design/Drawings etc. shall be in English language.

8. The bidder shall have designed, supplied and installed **minimum one, six passengers ropeway** during last 5 years. The bidder should submit the details of such completed works. In support of having completed the works, the bidder should submit the attested copies of the completion certificates from the clients indicating the name, description, value of the work, date of start, date of completion (Contractual and actual). The value of work executed should be inclusive of the value of free supply items.
9. The bidder/lead firm (in the case of Consortium or Bidding Firm, as the case may be) will submit a solvency Certificate of minimum solvency of **Rs. 1000.00 lacs** from the Bank issued not earlier than 6 months from the last date of submission of bid.
10. Price bids shall be invited from shortlisted firms/companies separately.
11. For operation and maintenance, bidder shall hire the agency having the experience of O&M of at least six passengers capacity ropeways. Otherwise Lead bidder/Ropeway System Supplier will keep their own staff and provide the training for operation & maintenance to villagers/HPPCL staff, minimum for one year. Quarterly visit of the technical staff of the equipment supplier meeting the technical eligible criteria shall be ensured.
12. The bidders are advised to visit and examine the site of works and its surroundings and obtain for himself on his own responsibility all information that may be necessary for preparing the bid and entering into the Contract. The costs of any such visits shall be entirely at the bidder's own expense.
13. Before submitting Expression of Interest(EOI), the Bidder will be deemed to have satisfied himself by actual inspection of the site and locality of the works, that all conditions liable to be encountered during the execution of the works are taken into account.
14. Queries, if any, can be made to the Manager (R&R), Shongtong - Karchham HEP, HPPCL, Reckong-Peo, Distt. Kinnaur (H.P.), Phone No. 01786-222856 Fax:-01786-223174
Email: - skhep.hppcl@gmail.com

Last date of submission of EOI: 12-02-2018.
