

Independence Day Celebrated with full Gaiety at Corporate Office

The 72nd Independence Day was celebrated at Corporate Office with full fervor and gaiety. The tricolor was unfurled by Sh. D.S. Thakur, Director (Civil), HPPCL.

Addressing the gathering he said that Chanju-III HEP (48 MW) and Deothal-Chanju HEP (30 MW) are ready for implementation. AFD has also agreed in principle, for funding of these Projects. The bidding documents of Chanju-III (48 MW) and Deothal Chanju HEP (30 MW) will be submitted to French Development Agency, AFD by October, 2018.

Sh. D.S. Thakur elaborated that in case of Sawra Kuddu; Power House, E&M and Barrage works have been completed. Head Race Tunnel excavation works have also been completed on 04.09.2017 and overt lining works are in progress. The progress of Shongtong- Karchham HEP was hampered due to strike by worker union but now the works have been started. HPPCL has implemented SAP across all units, becoming the first state owned public sector utility in the country to implement SAP successfully.
